# Why bother running a Generosity Week in your church?

**1. Generosity is a fundamental part of our Christian discipleship journeys...**

# What is Stewardship?

1. It is based in the character of God - we have an extravagantly generous God.
2. Everything we have is a gift from God, including Jesus.
3. In response to this we give our whole lives back to God: our time, talents and money – the call of discipleship.

# Giving is a central part of our discipleship

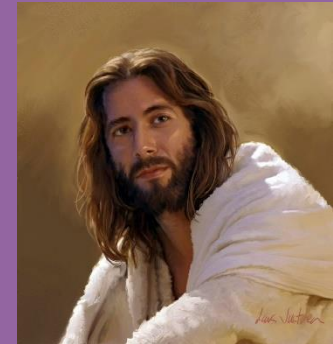

“Our cheque books, bank and credit card statements are theological documents in that they reveal our hearts.” Billy Graham

“There are three conversions: the heart, the head and the wallet – the last being a test of the first two” Martin Luther

“For where your treasure is, there your heart will also be” (Matthew 6:21)  
Jesus

# Generosity Enables the Mission and Ministry of the Church

“I am absolutely delighted to tell you that our monthly giving has increased by nearly £1000. Against a £11,000 predicted overspend this is wonderful.

I hope other churches take up this scheme as it has helped us enormously. Heating bills will be very high this autumn and winter ***but this result means we don't have to hold back on missional activities which can easily take a back seat when you are worried about bills.***” Revd Shanthi Thompson, vicar of Holy Trinity Kendal.

## GENEROSITY WEEK

# Discussion Question...

“Stewardship is about so much more than balancing budgets and keeping the church open.”

Do you agree or disagree with this statement?

What does stewardship mean to you?

**GENEROSITY  
WEEK**

# Discussion question for you:

- Do any of the challenges I've listed resonate with you when you think about your own church contexts?
- What do you think Stewardship means to the people in your churches?
- Any questions so far...

# The practicalities...

# Explain what it is...

Generosity Week resources are designed to make stewardship as easy as possible for your church to engage with. Generosity Week is an invitation for your church to spend 8 days being inspired by generosity. The resources allow us to reflect on God's amazing generosity to us, and explore how we can grow generosity in our churches.

Dear

*"We love God because God first loved us" 1 John 4:19*

From **Sunday 4<sup>th</sup> September – Sunday 11<sup>th</sup> September**, we will be taking part in **Generosity Week**. As we spend a week focused on giving, I want to recognize that many of us are currently experiencing significant levels of uncertainty in our finances. COVID, energy prices and inflation are affecting us all.

The finances of our Parish Church are similarly very uncertain. **COVID has had a huge impact**, as lockdowns and social distancing meant we lost income from room hire, fundraisers and weekly collections. **Moreover, the cost-of-living crisis has meant the church is seeing many of its costs increase substantially, including perhaps most concerningly our energy prices.** [amend as appropriate].

**Generosity Week** invites us to do more than simply think about church finances. It is a chance to reflect on all God has given us: love beyond measure; His Spirit; our beautiful creation; the gift of life each day and, of course, Jesus Christ. To focus on generosity is to focus on the very nature of our God and all He has given to us.

**Generosity Week** is also an invitation into a new way of living. A way that recognizes that **"we love God, because God first loved us"** (1 John 4:19). At its heart, generosity has nothing to do with budgets, deficits or even Parish Offer! It is an outworking of love. God loved first and God gave first and we strive to live in a way that joyfully reflects that to all around us. My prayer for **xxx Parish** is that this culture of generosity and gratitude will grow in every aspect of our lives: from our hospitality to friends and family, to how we treat those in need in our community, to our giving to the life of the church.

So, what will **Generosity Week** involve? [amend list as appropriate]

- We will spend two Sundays looking at the themes of generosity and gratitude.
- 8 morning prayer services will focus on different aspects of God's generosity
- We will run two mid-week small group sessions
- 8 podcasts will be made available for you to listen to
- We will provide a leaflet to help you review your giving

We are also using the opportunity of **Generosity Week** to invite you to review your giving to **xxx Parish**. The enclosed annual review leaflet sets out our parish financial situation in more detail.

As we ask you to prayerfully consider financially supporting **NAME OF CHURCH**, it seems right that we outline what we believe God is calling us to do and be over the next couple of years

- 
- 
- 

Moreover, the Mission Community, of which our parish is a part, is currently paying x% of its ministry costs, and after prayerful consideration, the Mission Community has agreed that this should increase to x% in the coming x years OR and we are keen to **qqqqq** the inflationary increase requested by the Diocese each year [amend as appropriate or add your own wording to reflect your local context - your stewardship enabler can provide information on proportion of ministry costs currently covered by your Parish Offer if requested]. You will see in the accompanying annual **review**, we are currently operating with an **£xxx** annual deficit.

During these challenging times, it can feel even more difficult to ask members to review their giving. However, it is important that **[church name]** acts now to ensure the sustainability of our mission and ministry in the years ahead. For some of you, it may be impossible to increase your giving or start giving at this time. It's possible that there will also be those of you who have to reduce your giving because of your personal financial circumstances. However, I am confident that as you read this, others will feel able to increase the amount you give to the church or start giving for the first time.

Finally, I ask you also to consider the way you give to our church, for example, could you set up a standing order or even think about leaving a legacy gift to **[parish name]**?

To respond, please either put your response form in the box which will be at the back of the parish church or send it to: **[treasure name]** by **date**.

Please be assured we are grateful for all gifts, large and small, whether you increase your giving, reduce your giving, or start giving for the first time! In these times of real uncertainty, we rest ever more strongly on our faith in God - our Rock and our anchor.

As you prayerfully consider this letter and accompanying leaflet, I go back to where I started: generosity is about more than church finances. Our giving is an outworking of our love for God, our church and our community. Let us give out of a recognition of all God has blessed us with, and through a desire to bless others. Do take time to think, pray and reflect on these themes of generosity and gratitude and may this time prove a great encouragement to us all.

On behalf of the PCC, I would like to thank you for your support and prayers.  
Yours in Christ

- Finance Leaflet

### our church

**To fulfil this vision, each week we will spend:**

£692 on our share of clergy costs: stipend, housing, training etc

£1240 on our building: insurance, heat, light etc

£120 on worship and ministry: for our congregation and wider community, including our hall

**£2,052 Total expenditure each week**

**each week we receive the following income:**

£550 from regular congregational giving, including Gift Aid.

£330 from fees: weddings, funerals etc

£388 from room hire

£95 from social events and the magazine

**£1,363 Total income each week**

*This ministry not only supplies the needs of the saints but overflows with many thanksgivings to God*

**2 Cor 9:12**

### our challenge

To cultivate what St Paul calls the **grace of giving** we need to think carefully about all we receive from God and prayerfully review our giving.

Our church is projecting a **£36,000 deficit** this year! If we can increase our planned giving by **£20,000** we feel confident we can meet the rest of the deficit through cutting our costs and increasing our income from room hire.

This means we need to increase our planned giving income by **£385 per week**. Can you help?

The following table gives an example of how we can achieve this:

This many people	increasing weekly giving by	equals this much extra income
6	£2.50	£15.00
13	£5.00	£65.00
19	£7.00	£133.00
10	£10.00	£100.00
6	£12.00	£72.00
<b>To meet our target of</b>	<b>£385.00</b>	

*But just as you excel in everything...*

### our choices

Our church planned giving scheme has **40** members.

**Is it time to start planned giving for the first time or move to a standing order (see response form)?**

The Gift Aid scheme has **[xx]** tax payers contributing.

**Is it time to join?**

Giving to God's work through the church should be a priority.

**Is it time to increase?**

There are a number of people giving proportionately as the bible teaches.

**Is it time to give a percentage of what we receive?**

Proportionate giving table				
Weekly income	Giving (£)			
	1%	2%	5%	10%
£100	1	2	5	10
£150	1.50	3	7.50	15
£250	2.50	5	12.50	25
£480	4.80	9.60	24	48
