

## Racial Justice Launch Events

The Church of England's Racial Justice Unit has awarded our diocese over £1 million to support our work on racial justice.

This funding will support four key initiatives:

- The roll out of our Shades diversity and anti-racism programme
- Direct support for our Global Majority Heritage congregations
- Development and training for our clergy and lay leaders
- Small grants for innovative local parish projects.

We will initially be recruiting for a Racial Justice Programme Lead and three Shades Workers.

Join us at one of our **launch events** to meet the people involved in this work, and find out about our racial justice programme including the new job opportunities.
